SOLAR FOR THE SHELTER

Donations are now being accepted

- ⚙ Total project cost for the 15.2 kilowatt system is \$35,116
- ⚙ CHA will apply for all grants, incentives & rebates
- ⚙ Jolma Electric of Ashland will serve as project contractor
- ⚙ State-of-the-art, bi-facial solar panels will be installed
- ⚙ Annual utility cost savings to CHA will be \$2,735
- ⚙ Solar to be installed by the end of August 2023

Purchase one or more solar panels needed for the project. Each panel costs \$350 and all panel donors will be recognized. Other donations are also appreciated.
