

# Solar 2020

What solar PV could look like in 2020 for Northern Wisconsin

Northern Great Lakes Visitor Center

February 27<sup>th</sup> and March 18<sup>th</sup>

6pm - 8pm

- 2020 Focus on Energy
- Rural Energy for America Program (REAP)
- Federal solar tax credit
- Financing Options

- NEC 2017 adoption
- Storage & Energy Control
- Current legislation to support
- WI progress & future direction of solar

The next two years will be very important to continue to make Northern WI resilient through distributed generation and energy efficiency.

Awarded Top 500 US Solar Contractor -  
Solar Power World &  
Business of the Year - RENEW Wisconsin

This is a free educational presentation hosted by Carlson Electric LLC. The event is open to the public to inform those interested what Solar PV could look like in 2020 for the Cheq Bay Area and beyond. Danielle Kelly, consultant who managed the 2018 & 2019 CBR Group Buys, will be speaking and continuing to promote solar in the area. Presentation will be about an hour long with time for questions and conversation.
