

May 9th, Bailey's Greenhouse "Field Tour - Hands on Solutions"

May 9th, 3:00 pm

**Bailey's Greenhouse
33430 Whiting Road, Bayfield**

Bill Bailey
Bailey's Greenhouse
Larry Roecker
Bayfield Electric Co-op
Mike BeBeau
Xcel Energy

Take a tour of the renewable energy systems of solar PV, solar thermal and high efficiency biomass furnaces at Bailey's Greenhouse and learn how they are good investments today. Get an update from the Bayfield Electric Cooperative and Xcel Energy on their Community Solar projects and find out how you can participate.

Ask questions and find answers about renewable energy.

Tour starts at 3:00. Speakers and community discussion starting at 4:00
